

Standard Posed Photography List – Keith Manter Photography – 301-580-3787

Please take a moment to review this list and bring it with you to your “pre-wedding” meeting with me. Feel free to edit out any groups that don't apply or that you want to skip. At the bottom of the page you can add any special requests for additional posed photographs you'd like involving other family members or friends.

In addition to “behind the scenes” coverage of the bride's preparations (usually at the bride's home), these posed photos can either be taken at the bride's home or as part of the “family and bridal party” session later in the day...

Bride alone, full-length and close-up
Bride and mother and father
Bride and maid-of-honor and bridesmaids

With the groom at the ceremony location (or as part of the session after the ceremony)...

Groom alone
Groom and mother and father
Groom and best man and ushers

Family and bridal party photos, after the ceremony...

Bride and groom, full-length and close-up
Bride and groom and full bridal party
Bride and groom with bride's parents
Bride and groom with groom's parents
Bride and groom with bride's grandparents
Bride and groom with groom's grandparents

If there are any “interpersonal issues” (divorces, etc.) that I should be aware of, please let me know so that we can avoid any conflicts during the posed photo sessions.

If your schedule allows – and you don't mind flaunting the “groom can't see the bride before the ceremony on wedding day” tradition, the photos of the bride and groom can be scheduled for prior to the ceremony.

In addition to these scheduled, posed photos, I'm always happy to take unscheduled informal photos with family and friends at the reception – just ask! They often make great additions to the photo books.

Thank you,
Keith Manter
